8/16/19 Social Ride

Thanks to Road Captain, Rosko, for a lovely ride to the Pink Moose Ice Cream Cafe in the Historic Royersford Train Station. This was Lori's first group ride ever. At one point, our plans were foiled by a road closure and we had to make a u-turn and head back to where we were coming from. Lori, at the tail end of the ride, saw all the bikers coming towards her and was all excited that we were passing another club out for a Friday night ride. She did the biker wave for awhile, not realizing that she was waving at her own club coming back. She was disappointed that none of them returned her wave.

and Pancake Breakfast

Thank you to the BCMC members who supported Kira's Team Forss for Good with the delicious pancake breakfast at Lansdale's Cannoneers Sportsmen's Club. They raised almost \$2,000 which goes directly to the American Foundation for Suicide Prevention.

and also a club ride

Jim F. finally got the weather to cooperate for our ride to Ambler Extended Care Center, which has provided short-term rehabilitation and long-term care to Ambler and its surrounding communities since 1966. We were provided with a lunch of hotdogs, hoagies, desserts & beverages. The residents seemed genuinely happy to see us and talk with us. One is a former biker; one was in the Army with her husband and was interested that there are so many vets in our club.

Thank you to the several Blue Comet members who came out in support of IV HOG's music festival. The weather was picture perfect, there was plenty to eat & the music was fantastic! Also, we made money sitting around doing nothing!

Meeting/Club Conduct #3

The President has an agenda set for each meeting & allows some time for any old or new business during the meeting. If you know you have something important to bring before the members, it is very important that you let the President know before the night of the meeting so he can allow ample time for any questions or discussions during the meeting. He may even tell you to hold off until a future meeting because of a tight schedule of this meeting.

Hope to see you guys at the meeting. R.O.N.
