**LBN IS COMING...**

**Santa brings the trophies**

**On 9/6/19, Motorcyclists for Jesus shared an evening with BCMC for the 9-11 Memorial Service to honor our Veterans, First Responders & Hometown Patriots.**

**Following the service, the Kitchenettes served up a yummy meal of spaghetti & meatballs. Thanks to Fr. Fred & Jeanie for completing the dinner with ice cream & all the toppings.**

# LBN IS HERE!!!

# 9/7/19

Mucho gracias to Gene for an overwhelming job well done! The LBN committee came through again with a year of planning and tweaking (not twerking) to pull off another bike night in picture perfect weather. There were vendors offering their goods to a huge crowd. Main Street was mobbed! Congratulations to Fred & the Bike Show helpers. We had 66 entries, covering bikes of all kinds, this year. Some of our friends put their bikes in the show, including Hank Galloway, Cindy Baskin & Pete Frentzen. The lift was busy, the Products booth did well in sales & the Race booth looked great, generating interest in future races.

## **PROJECT CREATE 48**

**Yonathon Belik (from Israel) & Mike Reid were officially launched at Lansdale Bike Night on 9/7/19. Their goal is to break the Guinness Book of World Records for most distance traveled on a Honda Ruckus. They will ride 9,000 miles across the 48 contiguous states at a mere 30 mph, meeting & interviewing people from all walks of life in the USA. They are traveling under the auspices of Wheeling for the World, a global association of members who look to collaborate across cultures & countries.**

**Sending 2 good-looking, personable young men off on a once-in-a-lifetime journey--- what great publicity for our event--- and what a great public send-off for these 2 adventurous guys!**

As announced at the 9/13/19 meeting, we now have our official trademark!

### Some interesting input from Lois Hendershot

Jeannie will be 93 yrs old this month. I'm sure there will be a quick ride by her house to share in her milestone. Recently Lois H dropped by in her sports car. Jeannie has accepted a couple of rides around the local area. On a recent ride they went to Merry Mead Farm for Ice Cream. Jeannie can never say NO. Look at her smile. Following the ice cream they rode to the club and had a short loop around the property. She was thrilled to see how great the property looked that she had dedicated many hours in caring for as a member of BCMC.

## HESPEL'S HISTORY

The year 1966 saw about the same routine of Club activities carried on, with 3 Scramble Races and Poker Runs. The Club chartered a bus from Hagey's Bus Service and went to Heidelberg to see the 15 mile National with about 40 in the good. A good time was had by all. The trip was handled by Chester Fluck, whom the members thanked for his time in organizing the trip. The annual Turkey Run was held.

What's the most dangerous part of a motorcycle?

The nut that connects the seat to the handlebars!
