BCMC PICNIC

What an absolutely perfect day for our picnic! No rain, not too hot, beautiful breeze. Couldn't have hand picked a better day. The key word of the day was relaxation!

Many thanks to the Picnic Committee for all the work they put in, much of the time not even knowing if we would be able to hold a picnic. Thank you to the people who made all those sides & desserts! We had a ton of yummy food. Thanks to Barry who provided us with music at a very minimal cost (zero is minimal, right?) Mandy & Jason donated the pretty linen tablecloths, which gave the picnic tables a touch of class. The Stewards and members did a great job shaping up the place and fixing up the horseshoe pits. Kevin made a beautiful, custom cornhole set to be raffled off. Keith Who was the lucky winner and generously donated the game back to the club so we can continue to use it in future years. Also, thank you to Keith for slaving over the hot grill all day! Everyone seemed to enjoy themselves. And a great, big special thanks to Bob Joseph for his fantastic fireworks display. The show was full & beautiful & was a great way to finish off picnic day!!

This is Barry who was not going to be in charge of music this year.
