fireworks.**

**Here's what we do  
at our socials.**

**Here's our  
guest of honor.**

**Sadie**

**Tim's son, Jaxon**

**Bob Joseph was awarded  
the Appreciation Coin for his  
generosity with his fireworks

that Terri pole dances to  
fund his hobby.**

Here's a small sampling of Bob's talents.

## 7/3/2021 Upper Salford Parade

Jason, Tim, Jaxon, Mandy,  
John, Keith, Rosko

As last year, this was a very small parade. Iffy weather, perhaps, affected our attendance. There were only 12 bikes for the parade, but they were happy to have us!

# 7/4/2021 Skippack is back

We had a picture perfect day and fantastic participation for the huge Skippack Parade!

The skies were clear.

The club was here.

The trikes were near.

Brad offers up some pre parade instructions.

Johnny D offers up his grandson, Elliot.

Mary likes it when Tim hugs Jaxon; Bob doesn't much care.

All biked up with nowhere to go.

## THE BEST PART OF THE DAY...

**We made the kids happy!!**

**After the parade, Russell led a small contingent to Allentown to enjoy the holiday & the races.**

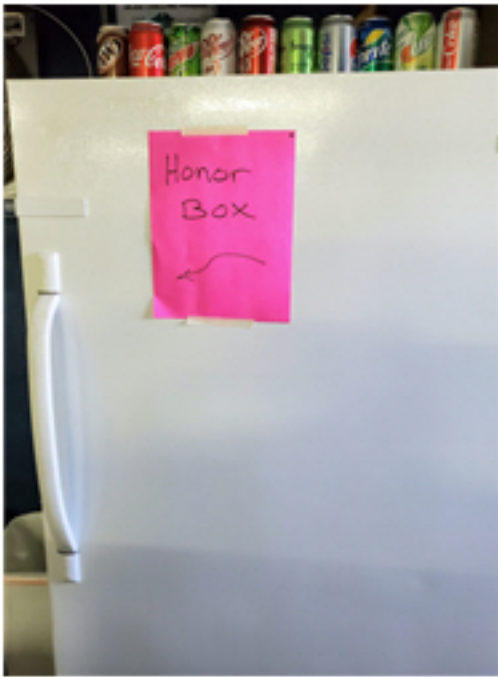

**Sonny, Tracy, Russell, Tony, Jason, Tim, Jaxon in front**

**Running into Tracy Kile was the best surprise Russell had had in a loooong time! Tracy was in Allentown for the holiday & found Russell at the races. He & Russell were founding fathers of LBN way back when.**

**To end the 4th, we opened our grounds to fireworks watchers & made a decent amount on parking donations, plus enjoyed the pyrotechnics!**

We are all familiar with the sign on our refrigerator pointing to the honor box. It directs people where to leave their money if a bartender is not on duty.

Apparently, however, those directions are open to interpretation!

**At the 7/16/21 Business Meeting, we welcomed 3 new members.**

**Associate Member  
Mandy**

**Probationary Members  
Ricky                      Jake**

**Mandy terminates her "Probie" patch with extreme prejudice**

# 7/17/21 Lansdale Day

One word...

There was a pretty good crowd there and our products booth wowed the kiddies with the mini choppers & free gifts.

## THE BRUNCH BUNCH 7/20/21

Here we are again at one of our favorite haunts. We always have a great time with Grace's food & our own company.

Oooops! Somebody forgot to pick up Christine!

## The Landing 7/24/21 byline Mary Bruno

So 15 motorcycles total wound up at the Landing. 14 rode together with a twist- Sweeper was Road Captain with Barefoot Wingman and calling the blocks. RON finally allowed Barb to ride her own- she did great. And Lite-n-Low did the sweep. We had a leisurely ride over and enjoyed some music, vittles and even a brew. Austin established last year that he is the most Handsome Motorcycle of all, so he stayed out of the Bike Show and gave the others a shot.

# Social Ride 7/30/21

On an absolutely gorgeous riding night, we followed Keith What down twisty, turny, bendy country roads into the setting sun

where we ended up at a cornfield?

Here's the destination!

We stood in a long line of ice cream lovers, but the service was pretty quick! It was a beautiful night for ice cream & spending time with biker brothers & sisters.
