CAR SHOW EXTRAVAGANZA!!

All the hard work paid off in spades...or cars! Thank you to Sparky & the whole Car Show Committee. From the parkers, to the registrars, to the judges, to the Kitchen Committee, all worked **HARD** in the **HEAT** to make the show a success!

Busy, busy, busy in the kitchen! Brent cooked 240 hamburgers & 144 hotdogs. We sold a lot of corn & went thru 8 large pizzas. Next time, we'll have to chop even more onions...just for Opie!

BCMC FAMILY PICNIC 8/14/21

Rain?

What rain?

Nothing but blue skies, puffy clouds & a nice breeze.

Our picnic was a great success with 109 tickets sold! During the week leading up to 8/14, we worried about rain, but the day was absolutely perfect!

So many thanks are due to the Picnic Committee for running Bingo Nite, which raised funds, & for running the picnic itself. Many, many thanks, to the specific committee members who cleaned & readied the pavilion, who created or provided the prizes, who supplied, created & ran the games, who stayed to the bitter end to do a great job of cleaning up & who came back early on Sunday to do a last minute inspection before our rental.

Thank you to our Grill Master, Keith, & those who helped him. Much appreciation to the club membership who donated sooooo much food, who participated in the games, who entered our Bake Off & to our 2 judges.

What can be said? BCMC came through again & gathered together to enjoy our wonderful day!

No one won the potato gun game. No wonder--here are the "human" targets way out in another county. When Marilyn first arrived at the clubhouse, she said, "Who's that standing out in the field?"

BCMC SUPPORTS

LAST DAYS MOTORCYCLE MINISTRY'S PISTOL SHOOT

byline Mary Bruno

We had a really good showing to impress Last Days and support their run. At least a dozen BCMC. Brad got 3 ACES and was dismayed that he just barely missed that elusive 4th. Photographer Mary made her goal of hitting the paper all 6 shots. Well, to each his own on goals here. The run ended with some really good grub. Cowboy got his hot dog and they even had Bacon Cupcake! Never go wrong with Bacon!

8/21/21 was also a Work Day

Tom "Grinder" Lovell provides an account of what was accomplished:

We wired up more lights in the pavilion.

I purchased and installed a fan . I mounted it to the rafters above where the grills get used, trying to keep Brent & Keith from getting smoked out while manning the grill!!!!

The old Farmall tractor was fired up and the field was mowed!!!

The water filter was changed in the kitchen.

Our club extends appreciation to the members who contributed that day: Deron Borghi, Rosko Bradfield, Jim Fragassi, Keith Gengler, John Heinz, Grinder, Greg Mohl, Gene Reynolds, Matt Stinson & JJ Zummo.

8/27/21 Social Ride

Keith led us on a scenic route to Merrymead Farm in Lansdale. A few of us caged it due to the iffy weather. It was a very hot night so we had to eat our icecream fast!

8/28/21

A few members of BCMC were able to lend support to Kira for her annual Car Smash. It was held at New Beginnings Church in Ambler. All proceeds go toward suicide prevention.

Ride for Freedom 8/30/21

The 28th annual event Ride for Freedom at city park in Reading calls on people to remember POWs and MIAs. More than 1500 motorcycles rode from Wolmelsdorf to Reading.

The 28th Annual Ride for Freedom stretched from Oley to Wolmelsdorf to Reading's City Park, where people gathered to remember prisoners of war and those missing in action.

Along the streets, some residents came out and waved American and POW/MIA flags, a gesture that riders and organizers said was especially moving.

From Ron Ketwitz & the Grey Rules Committee

We have several new applicants plus probation patches...greet them and get to know some future members. You current members should always be on the lookout for new members. The more members we accumulate, the easier the workload for all of us. Always have BCMC trifolds and business cards on hand. It would be great if we again reached our capacity!
