**Can it really be 20 years? Those images of horror are  
burned in our memories like they happened only yesterday.  
Those people who have become complacent need to relive  
this day and make sure all generations know.**

**We had quite a crowd**

**Sparky &  
his mom  
joined in.

The Breakfast Club

# BIGGEST BEST BRUNCH!

It was a spectacular day with a spectacular turn out for our monthly breakfast. Normally we enjoy the company of about 18-20 members. This time **25** people joined in! Remember, we do this every month!

At our 9/24/21 business meeting, John Heinz was awarded the Appreciation Coin by Brad. We also welcomed new full member, Mike McLaughlin and new probationary member, Matt Stinson.

# RACE DAY

We started bright & early. We had great weather, plenty of volunteers & lots of food.

Unfortunately, we did not have as many riders as we would have liked. Altogether, we had 9 Pee Wees, 15 Youth/Junior, 21 Class C & 9 AB riders.

Thanks to Race Chair Person, Bill McLead for all his hard work and days out on the track. Shown here with Tex.

Thanks also goes to our other Race Chair Person, Shari, with some help from Lane.

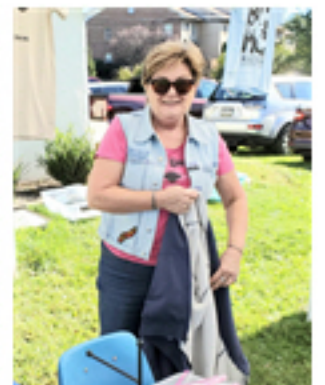

His helmet is as big as he is!

## REGISTRATION

**Cool jacket of villians**

**All in all, it was a pretty good day- no glitches in the system, hard working volunteers & satisfied customers!**

The last Grey Rules meeting this year Nov. 10th is guaranteed to enlighten all members and want-to-be's. Topics will include someone from the finance committee, discussion regarding special awards, some of our history and general G/R stuff.

As we approach Fall, plan to enjoy our beautiful foliage. Jim Thorpe and the Lehigh Gorge are just a few and only about an hour and a half away.

Don't forget Jeannie's 95th Birthday ride on Sat. 10/2. Meet at Skippack WaWa at noon. Jeannie is the oldest living member of BCMC. This is history in the making!
