NOVEMBER 2021

A few of our members got together to support Preston & Steve's 24th annual Camp Out for Hunger benefiting Philabundance. Here is their story as told by Mary Bruno. 11/1/21

*Twas the night before Christmas hold on. Wrong story!
Twas a workday Monday and C-O-L-D!!! So only a few
brave, or crazy, souls joined Brad on a trip down the
Surekill Expressway to Preston and Steves Camp Out
for Hunger.*

*The volunteers were ready to empty saddlebags and
gave us a thank you goodie bag. We parked and
ventured in to check out the festivities. Brad noted it all
sounds bigger on the radio. Preston and Steve were
wrapping up their show. We got the last free Dunkin
coffee. Opie had no luck getting company for the 2*

amusement rides. So we masked up and entered the tent. We caught the end of the show with a few of the fans and joined in for pictures with Preston, Steve and staff. They and the fans departed. I wondered why we were still hanging out there. But our President is one of Wisdom! Next up was Pierre. He started his show. Then he came over to talk to us and shake hands all around. After all, we appeared to be his only fans. Brad gave him our card and his staff gave Brad a microphone. And Wonka was LIVE! He was great as a DJ, gave the club a perfect plug and even got LBN mentioned. Pierre had him introduce his companions, Opie, Chief and Sweeper! It was MARVELOUS!

A fine job done, it was time to head back up the Surekill. I guess Brad got bored. He tried to drop, or was that hold onto, his gearshift going up 422. The men secured it enough to get home, where Brad could work on the Harley. Got the wrong H Wonka!

FALL SAFETY COURSE 11/7/21

We are fortunate to have former MSP instructor, Bruce MacPhail, who led our safety lesson. We had a pretty good group in attendance. Due to inclement weather, we held only the indoor part of the safety course...no maneuvers, no ride, no lunch :(

Bruce with Ron

What a great Grey Rules meeting on 11/10/21! We had fantastic attendance. The scope of the meetings has really increased.

A few members spoke on various interesting topics, including Jim, who gave useful information about winter time motorcycle safety.

John models some of the old time uniform accessories.

A chicken & an egg are lying in bed. The chicken is leaning against the headboard, smoking a cigarette, with a satisfied smile on its face. The egg, looking a bit pissed off, pulls up the sheet, rolls over & mutters, "Well, I guess we finally answered THAT question!"

11/19/21 SOCIAL MEETING

Thanks again to our Kitchenettes for the delicious meal of sausage, pepper & onion sandwiches. Thank you so much to club members for all the *Delicious Donated Desserts!* Nancy continues to amaze us with her unlimited baking talents!

Happy Thanksgiving 11/25/2021

Here we are lined up at O'Grady's Family Restaurant in Phoenixville.

Then it was on to the war memorial at Reeve's Park in Phoenixville where we attended a small service led by Chip Newnam of Friends of the Forgotten.

NEVER FORGET!

We close the year looking forward to longer daylight in about four weeks. Before you know it, we'll all be riding in the Spring weather.

BCMC had a challenging year, and as we move on with newly elected officers, I ask everyone to give their support to all who stepped up. Our club remains strong because of the commitment made by the membership. Please sign up on a committee or two and remember you are part of the best M/C! R.O.N.

COME OUT & VOTE!
