February 2022

Here's a look back at RMC's Winter Party. They built a giant "Kildozer" to set alight for their bonfire. As reps of BCMC, Dane, Chip, Jason & Tex sacrificed themselves to the bitter cold. They had to keep an eye on Chip who kept inching a leeeetle too close to the flames!

Grey Rules, officially Policies & Procedures (P&P) is now officially Grey Rules once again! We had a decent turn out for our first meeting of the year, about 2 doz. members.

A few folks said they hadn't been to a Grey Rules meeting since their very first days. They found it informative and fun! Remember, it's not just for the probies! Our next Grey Rules meeting is 5/11/22 at 7:30. Why not give it a try?!

At our 2/11 Business Meeting, we welcomed 2 new probies, members of the German/ Italian Coalition.

Go Thor!

Thank you to all who participated in the 2/26 BINGO event. We are considering having another BINGO night, with some changes, which would be our final fund raiser for the picnic. Even if you are not a regular BINGO player, we hope we can count on your support. After all, it's for OUR club!

Great News!
Grey Rules wins!
P&P RIP!!!

Remember to carry our new trifold and business cards, handing them out to possible future members, spreading the workload, thus making it easier for all of us. Remember that your back patch should be worn with pride and protected at all times. It should be worn or placed in a secure area...don't let it get legs.

Plan to attend the next Grey Rules May 11th and the Safety Meeting May 15th.

Think Spring,
RON
