Work Day 4/16/22

Thank you to Grinder & all who participated. We got a lot accomplished, including cleaning all the clubhouse windows.

One of the pavilion support posts was loose. The concrete around the footer was chisled out and new concrete will be poured under the post. Now we can be sure our pavilion won't fall on our heads during our picnic! We want our 85th picnic to be memorable, but not THAT memorable!

Easter at Biker Church 4/17/22

We met early at 6:00am in the frigid morning air. We froze our BUNNIES off on the ride to the Biker Church!

It was a full house for the lovely service led by Rich & Linda Grill. Several BCMC members where there, as well as members of other clubs. After the service, singing & praying, we enjoyed a satisfying breakfast of eggs, bacon, sausage, potatoes, toast, coffee, juice & desserts.

What to do between the
ABATE meeting and the
Stretch Dedication...

4/24/22
by Mel

Dedication to William "Stretch" Smaltz

A beautiful day to remember a great friend, a wonderful community supporter and a true patriot dedicated to our Military, our Vets and our POW/MIA. In our thoughts and in our hearts, Stretch, we continue our dedication because of yours.

From the Grey Rules Committee

May you plan to attend our new exciting session on May 11th.

BCMC is now 85 years young and back in the day your \$100 would now be worth \$2000, average car cost \$760, rent \$26, and the Duesenberg SJ tops 140 mph. We are a great club that has stood the "Test Of Time" because of our leadership and dedicated members. Please review the Grey Rules prior to attending the meeting. Education starts at 7:30.

RON

Tex

We recently needed a significant plumbing repair. Keith couldn't figure out why no water was coming out the dump truck. Then he spotted the clog!

Tex actually had to climb down into the creepy tank!

Please support our final fund raiser for our 85th picnic! BINGO 6/11/22, \$25. See Purple for tickets.

RACE COVERAGE IN NEXT MONTH'S ISSUE!
