May 2022

Our 4/30/22 race:

We would like to thank Bill McL., Adam, Shari & the Race Committee for the incredible amount of hard work they put into race preparation. Despite the great weather, we had a fairly low turnout with between 60-70 racers. We are working on increasing attendance.

Bill

Adam

We also must thank the many, many people who helped out on race day, with Grasshopper coordinating. Here are photos of some of those folks:

READY TO RACE?

This racer's ready with a helmet stuffed with food.

TROPHY TIME!

Thank you to all who took beautiful photos to add to our 4/30/22 race day memories. Many more photos can be seen on Flickr & Facebook.

May 6, 2022 Business Meeting

We finally caught up to Bill McLead to present him with his much-deserved Billy Nice Memorial Award.

And we welcomed our newest probationary member, Dan Kelly.

5/8/22 Mothers' Day

We got together on a very rainy Mothers' Day for breakfast at O'Grady's restaurant in Phoenixville. We all caged it except for one dedicated biker!

Here's Jim after his soggy ride to O'Grady's.

He was made to wring out his socks before he was allowed entry into the restaurant.

On 5/11/22, some of our BCMC members left home on a cloudy, windy day headed for Myrtle Beach. Riding on the 12th, they had 240 miles of rain!

They arrived safely & met up with former members Dom DeFiaccio & Billy "Elvis" Goetz.

L-R: Russell, JJ, Ray, Mike, Dom, Billy. Seated: Scott

Uncle Mike was given a medallion for his bike from a non H-D shop, in appreciation of his service in the Navy.

They had dinner at Oscar's with good friends of BCMC.

They partied at Captain Archie's. When asked if they were having fun, Russell replied, "Hell yeah!"

All are safely home.

5/14/22

Despite the early morning monsoon, the day became fairly nice for the ABATE Swap & Flea held on the grounds of BCMC.

Here are some shots from around the flea market:

BCMC SAFETY COURSE

5/15/22

We had a pretty pleasant day for our Spring Safety Course led by MSP instructor Bruce MacPhail.

- K**ickstand

We had an excellent turn out, with many new members in attendance.

We rode over to North Penn HS to practice our maneuvers. Even Sadie went through the weave.

Then an enjoyable ride, led by Mole, to Chiaro's for some delicious pizza.

5/17/22

What a lovely day for brunch with friends at the Energy Station. Our group has really grown over the months! We hope you will come, too!

(HOT) Armed Forces Challenge Run

Sat. 5/21/22 started off gray and foggy. Soon the sun burned off all the gloom & we had a very HOT, sunny day. We had a good turn out & all the riders seemed to have a great time, although they were all HOT!

Several different MC groups supported our event. We had members of ABATE, Last Days, Combat Vets, RMC, American Legion Riders, Committed, 11 Bravo, Freedom Riders & Battle Worn MC.

We would like to thank Greg, Jason & the whole Poker Run Committee for all the hard work they put into this event. Thanks also goes out to all the members who made, donated & cooked food & served beverages.

Mel made some clever patriotic cupcakes!

Winners: Bubba from 11 Bravo & Fresh from Last Days with Mole

We had a special visit from Joe Bowman!

The winners got to blow up Putin!

A group of members took off after the Challenge Run headed for Key West! The group included Scott Dewees, Brian Bevan, James Blew, Tim Huff, Mike McLaughlin & Keith Smola.

From the Grey Rules Committee

Another fantastic attendance and the committee appreciates all the interest in learning about our 85 year old club. Grey Rules is for everyone, as at each meeting we cover all topics not just G/R., Following the G/R is important just like adherence to our Bi-Laws. Save the date Aug. 10th
