**LANSDALE DAY 6/4/22**

Lansdale Day was a great success for BCMC---from the absolutely perfect weather, to the large crowd, to our many volunteers, to the money earned, to the friendly impression we made on the community.

**On Fri. 6/10, we had a great hangout night at the clubhouse. Several people came out for pizza, drinks, cards & camaraderie. Give it a try!**

## **CPR Class 6/11/22**

**We had a full class for our CPR training. (Bob J., Lori & John, Jason, Lisa & Amanda, Kira, Don Morgridge, Cap'n Rich, Adrianna, Joe N., Diane & her sister, Rhonda.) We were lead by Mary, who is now a certified trainer. We were her "guinea pig" class! Chris Maine, our very own EMT, assisted in the instructions.**

**Many lives were saved that day.**

# GOLD STAR MOTHERS

The day started out looking pretty grim, but the Veterans above must have really wanted their memorial service. We ended up with no rain, a good amount of sun, and a warm breeze.

We were privileged to have with us surviving WWII Veteran, Ted (Theodore) Quillen, 93 years old. He was a Merchant Marine from 1944-46 and a Private in the US Army from 1946-49. He is pictured with his grandson, Howie, his daughter-in-law, Rachel and Rachel's parents, Hagar & Bonnie.

6/12/2022

It was, as always, a very moving ceremony.

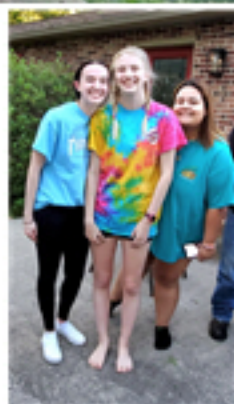

**After a delicious picnic meal and cake, our Gold Star Families posed atop the Mission BBQ truck.**

**We really made one girl HAPPY when our 6/17/22 social ride stopped for a visit at Rachel McLead's house after her recent surgery!**

**After that, it was on to DQ for some refreshing treats.**

*I put out my first newsletter in February 2017. It was 3 pages long and had 3 stories, 2 of which were written by Cindy Baskin. The newsletter certainly grew from there and I have really enjoyed my years of involvement. Thank you to all the members who helped with photos, stories and information over the years. I hope my predecessor enjoys working with the newsletter as much as I have.*
