MEMBER NEWS!!!

On August 1 we had a hearing with the Skippack Township Zoning Board regarding our request for a variance that will allow us to build our new clubhouse. This was a make or break moment! If denied, we would have one option left, an appeal in court. After a presentation by our legal representation, myself as primary witness, and some resident comments and discussion, the Zoning Board UNANIMOUSLY voted to approve our request!

Ladies and Gentleman, we are building a building!! Stay tuned for more updates!!! Thor

BCMC HISTORY AND GREY RULES CORNER

We will be taking our club photo on September 24. The photo will be taken as close as possible to the spot this photo was taken way back in the day!

Make sure you're there to be a part of a historical photo for future generations of BCMC members to re-enact in another 100 years!

At the last Grey Rules meeting, Russell brought this relic in to show the new members what the older members wore while out riding. If anyone had one of these jackets 40some years ago, you know they do NOT breathe! So cool to get a glimpse back into the past of the club, while continuing to move towards the future! Thanks Russ!

From R.O.N.

So many rules! So many clubs have come and gone, but we're here celebrating our 85th anniversary! As our club continues to grow, reach out to our new people! Their sponsors are doing a good job, however all of us should make an effort to make them feel welcome.

Next Grey Rules meeting is Wednesday Nov 9 @ 7:30

All are welcome, required for new and probationary members!
