# BLUE COMET RACING AT THE ATLANTIC CITY MOTORCYCLE SHOW

*Mel and Adam, along with the rest of the Race committee have been working VERY hard to help make our race and trail days the best, biggest events ever! They had a booth set up at the AC Motorcycle Show on February 4th.*

# Riding with Rosko

*Rosko took a ride with our newest brother, Longrider, and a couple of the probies (Torrey and Gryz) on Super Bowl Sunday. It was a 40 degree day, but the probies did a really outstanding job on the French Creek loop! Great job riding with Rosko!*

# The Breakfast Club

*Our monthly Breakfast Club meeting was held on February 28 at Grace's Cafe. We had a great time, with a big group! Thanks to Isabel for her work in keeping these breakfasts going! If you haven't been to one, what are you waiting for? Play hookie from work and come hang out with us!*
