Rosko and Longrider played in the snow out in Western PA to kick off March! Don't worry, they checked into a hotel just down the block once they defrosted a bit!

HAPPY ST PATRICK'S DAY

Hangout night on Saint Patrick's Day was a great time! We played games, the kids shot some pool, and we had some green libations!

Annual Victims Benefit March 18, 2023

A group of us went out to support Baca Montco at their Victim's Benefit at the Lansdale VFW. We had a great time and they were able to raise money for a great cause! Big winners that night were Crafty, Gryz and Jugz with baskets, and Jugz won the 50/50! A grateful Gunny took that money won back as a donation.

BINGO

The picnic committee put together another fun Bingo night at the club! Fire-cracker served as the caller, and our big winner was Lady Jane! Thanks to everyone who came out and helped raise funds for the club picnic!!!

News from Grey Rules

Spring is here and we have several new and probationary members around. Please make everyone feel welcome as we experience the start of our new facility.

Good members make for a good, surviving club! Our club has survived partially because of our bylaws and Grey Rules.

Adherence to these has given us this great club.

Building our membership is important, so keep an eye out for that person who could enjoy our club and be an asset as well.

Please come out to our well attended meetings and ask any questions while learning about the club's history, safety and guidelines.

The next meeting is May 10th at 730. Hope to see you there!
